# CCLRT DBE

## **Intent:**

- Comply with federal and state regulations
- Ensure the economic benefit of CCLRT's construction is shared by the diversity of taxpayers
- Level the playing field for participation and entry into the public construction industry

## **Actions:**

- Monitor contractor recruitment and utilization
- Support relationship building diverse construction firms
- Develop avenues for DBE firm owners to increase capacity to perform on public contracts
- Oversight Committee

# CCLRT DBE

## Examples of Actions:

Constructing Success

Compliance Monitoring
