Login Data	
Organization:	<input type="text" value="SSL - Steel Surveying Ltd."/>
User Name:	<input type="text" value="ElvisG"/>
Password:	<input type="password" value="••••••••"/>
Confirm Password:	<input type="password" value="••••••••"/>
<input type="button" value="Previous"/>	<input type="button" value="Register"/>

For Organization, please enter a 3 to 6 character abbreviation and a full Organization Name. For User Name please enter your first name and the first character of your last name. This must be unique within a particular organization. Passwords are case sensitive. You will use the organization abbreviation/user name to log in (SSL/ElvisG in this example). To ease maintenance, your organization abbreviation and user name may be modified by the administrator to adhere to certain standards. You will receive an email providing the proper credentials when your account is approved.
