

Landing Area Location

In addition to the Form FAA 7480-1, please show the layout of your proposed landing area referenced to section corners with township and range designated. This sketch should show heights of any growths, buildings, pole lines, etc., that are adjacent to the landing area or within the approaches. Also, please indicate the difference in elevation between the runway end and any roads, railroads, or highways that are adjacent to or in the approach to the landing strip or runway.
